0. First of All

Please get Latest version Form WE.
 If you already have welders, please ask ClassNK Office to get Form WE with latest data.

1. Form WE-Main

If it is the first time to apply, you need not to input "(Code)"(ClassNK Office) & "Company Code".
 Blue is mandatory Green is option Yellow is auto calculated items.
 If you fix actual Welding & Test Date, please inform ClassNK Office about it.

2. Form WE-Exam

Regarding photos, please make as below.
 * 4*3 no hat, upper triplet, no background.
 * jpg files. Please set same folder as Form WE.
 You can use digital Camera or Smartphone photos
 * Please make zip file with Form WE Excel and photos, and send to ClassNK Office.

3. Form WE-SubCode

If you are in trouble due to many welders, you can use "Sub Code" to sort them by Dept.s, Companies.
 It is option to use Sub Code. You need not to use them,
 For detail, see Form WE-SubCode.

4. Welder/Qual/CodeList

You can find Welders & Qualifications which registered on ClassNK System.
 You can refer Code List to see codes on Form WE-Exam.
 Please use them as reference information.

(Rule Part M, 5.3.3-9. and Table M5.14 (3)/鋼船規則M編5章 5.3.3-9. 表M5.14 (3))

For Initial, Welding for Tube Test Assemblies Applied with PC+PH or PC+PJ position at a time.
Even in this case, please input "FB/RB/FB/RB" for Form WE-Exam instead of "FB/RB".

初回の場合、管材のPC+PHまたはPC+PJは一つの試験材で二姿勢を受験することができる。
この場合でも、Form WE-Examには本来のFB/RBに代えてFB/RB/RB/RBと入力してください。

For Renewal, Welding for Tube Test Assemblies Applied with PC+PH or PC+PJ position at a time.

Number of Bend Test Specimens is "1" as same as Initial Test

継続の場合、管材のPC+PHまたはPC+PJは一つの試験材で受験することができる。
試験材は初回同様一本でよい。
