

Application for Type Approval of Container Securing Fittings

To: NIPPON KAIJI KYOKAI

Date: _____

Branch _____

Ref. No.: _____

Name of applicant: _____

Address of applicant: _____

Person in charge: _____

Tel: _____

E-mail: _____

We hereby request

- approval renewal approval change in the approved content revocation of approval

of container securing fittings in accordance with the relevant requirements specified in Part L of the *Rules for the Survey and Construction of Steel Ships*, Part 3 of *Guidance for the Approval of Materials and Equipment for Marine Use*, and the correspondingly applied provisions of *CONDITIONS OF SERVICE FOR CLASSIFICATION OF SHIPS AND REGISTRATION OF INSTALLATIONS*.

1. Name of works: _____

2. Address of works: _____

3. Model of products: _____

4. Type: _____

5. Material grades: _____

(Materials used for fittings are to comply with Part K or be deemed by the Society as being equivalent thereto.)

6. Manufacturing method: Casting

Forging

Weld Fabricated

7. Heat treatment: N

QT

Not Applicable

8. Dimension: _____

9. Proof stress: *(The intended proof stress should be stated in Table of the reverse side)*

10. Breaking stress: *(The intended breaking stress should be stated in Table of the reverse side)*

11. SWL: *(The intended SWL should be stated in Table of the reverse side)*

12. Are these fittings to be installed on

ships intended to operate in areas with Yes

low air temperatures or on ships No if Yes, describe design temperature of the ship : ()°C

intended to carry cargoes with low

temperature? _____

13. Approval No. / Certificate No.: _____

(In case of Renewal / Change / Revocation) _____

Note: _____

Table: Proof stress, Breaking stress, SWL

	Tension	Shear	Compression
Pross Stress [kN]			
Breaking stress [kN]			
SWL [kN]
