

A list summarising rule amendments for the Technical Rules and Guidance (Regulations for the Classification and Registry of Ships, Rules for Marine Pollution Prevention Systems, etc.) and each part of the Rules for the Survey and Construction of Steel Ships (Part A, Part B, etc.)

Rules for the Survey and Construction of Steel Ships / Guidance

PART A General Rules

- Amendment related to Part C of the Rules for Survey and Construction of Steel Ships (2025 Amendment 1)
- Application of Enhanced Survey Programme for Chemical Tankers

PART B Class Surveys

- Amending Stability Information due to Conversions
- Astern Power of Main Propulsion Machineries
- Prohibition of Extinguishing Media Containing Perfluorooctane Sulfonic Acid (PFOS)
- Review of Guidance for the Approval of Materials and Equipment for Marine Use
- Requirements for Electrical Installations of Dynamic Positioning Systems
- General Examination of Expansion Joints
- Tests for Preventive Measures for Redundant Operations of Fixed Local Application Fireextinguishing Systems
- Interval between Openup Examinations of Valves and Cocks at Docking Surveys

PART C Hull Construction and Equipment

- Amendment related to Part C of the Rules for Survey and Construction of Steel Ships (2025 Amendment 1)
- Review of Guidance for the Approval of Materials and Equipment for Marine Use

PART U Intact Stability

- Review of Guidance for the Approval of Materials and Equipment for Marine Use
- Lifting Appliances and Anchor Handling Winches

PART W Navigation Bridge Visibility

- Review of Guidance for the Approval of Materials and Equipment for Marine Use

PART CSRB&T Common Structural Rules for Bulk Carriers and Oil Tankers

- Common Structural Rules for Bulk Carriers and Oil Tankers, 1 January 2024, Corrigenda 1
- Lifting Appliances and Anchor Handling Winches

PART CS Hull Construction and Equipment of Small Ships

- Review of Guidance for the Approval of Materials and Equipment for Marine Use

PART D Machinery Installations

- Fore Peak Ballast Systems and Fore Peak Space Arrangements of Tankers
- Review of Expressions Used in Requirements for Pipes, Valves and Pipe Fittings
- Approval of Synthetic Materials Used for Aftmost Stern Tube Bearings and Aftmost Shaft Bracket Bearings
- Protection of Reciprocating Internal Combustion Engines against Explosions
- Response Time of Safety Devices after Incinerator Flame Failure
- IACS Unified Requirement for Monitoring and Safety Devices of Exhaust Gas Cleaning Systems
- Astern Power of Main Propulsion Machineries
- Unified Interpretation for Valves Fitted on Collision Bulkheads
- Review of Guidance for the Approval of Materials and Equipment for Marine Use
- Redundancy of Single Electric Propulsion Motors
- Lifting Appliances and Anchor Handling Winches
- Clarification of Safety Requirements for Selective Catalytic Reduction Systems

PART GF Ships Using LowFlashpoint Fuels

- Application of High Manganese Austenitic Steel for Cryogenic Service
- Protection of Reciprocating Internal Combustion Engines against Explosions
- Recent Amendments to the IGC Code (MSC.566(109)) and Review of Existing Requirements (Machinery Related)
- Review of Existing Requirements of Part GF and Part N (Equipment Related)
- Review of Guidance for the Approval of Materials and Equipment for Marine Use

PART H Electrical Installations

- Fore Peak Ballast Systems and Fore Peak Space Arrangements of Tankers
- Review of Guidance for the Approval of Materials and Equipment for Marine Use
- Requirements for Electrical Installations of Dynamic Positioning Systems
- Redundancy of Single Electric Propulsion Motors
- Earth Fault Alarm Devices for High Voltage Electrical Installations

PART K Materials

- Correction of Editorial Errors related to Materials and Welding
- Review of Guidance for the Approval of Materials and Equipment for Marine Use
- Lifting Appliances and Anchor Handling Winches

PART L Equipment

- Mechanical Strength Testing for Side Scuttles
- Review of Guidance for the Approval of Materials and Equipment for Marine Use

PART M Welding

- Correction of Editorial Errors related to Materials and Welding
- Review of Guidance for the Approval of Materials and Equipment for Marine Use

A list summarising rule amendments for the Technical Rules and Guidance (Regulations for the Classification and Registry of Ships, Rules for Marine Pollution Prevention Systems, etc.) and each part of the Rules for the Survey and Construction of Steel Ships (Part A, Part B, etc.)

PART N Ships Carrying Liquefied Gases in Bulk
Application of High Manganese Austenitic Steel for Cryogenic Service
Protection of Reciprocating Internal Combustion Engines against Explosions
Recent Amendments to the IGC Code (MSC.566(109)) and Review of Existing Requirements (Machinery Related)
Review of Existing Requirements of Part GF and Part N (Equipment Related)
Review of Guidance for the Approval of Materials and Equipment for Marine Use
PART S Ships Carrying Dangerous Chemicals in Bulk
Fore Peak Ballast Systems and Fore Peak Space Arrangements of Tankers
Review of Guidance for the Approval of Materials and Equipment for Marine Use
PART I Ships Operating in Polar Waters, Polar Class Ships and Ice Class Ships
Approval of Synthetic Materials Used for Aftmost Stern Tube Bearings and Aftmost Shaft Bracket Bearings
Machinery of Polar Class Ships
PART O Workshops
Application of the SPS Code
Lifting Appliances and Anchor Handling Winches
PART P Mobile Offshore Drilling Units and Special Purpose Barges
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Requirements for Electrical Installations of Dynamic Positioning Systems
Lifting Appliances and Anchor Handling Winches
PART PS Floating Offshore Facilities for Crude Oil / Petroleum Gas Production,Storage and Offloading
Review of Guidance for the Approval of Materials and Equipment for Marine Use
PART T Submersibles
Lifting Appliances and Anchor Handling Winches
PART R Fire Protection, Detection and Extinction
Fore Peak Ballast Systems and Fore Peak Space Arrangements of Tankers
Review of Expressions Used in Requirements for Pipes, Valves and Pipe Fittings
Prohibition of Extinguishing Media Containing Perfluorooctane Sulfonic Acid (PFOS)
Unified Interpretation for Means of Escape from Steering Gear Spaces and Machinery Spaces of Category A
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Hydrocarbon Gas Detectors and Bilge High Level Alarms in Cargo Pumprooms
PART X ComputerBased Systems
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for High Speed Craft / Guidance
Related to Multihull Craft
Amendment related to Part C of the Rules for Survey and Construction of Steel Ships (2025 Amendment 1)
Approval of Synthetic Materials Used for Aftmost Stern Tube Bearings and Aftmost Shaft Bracket Bearings
Protection of Reciprocating Internal Combustion Engines against Explosions
Astern Power of Main Propulsion Machineries
Prohibition of Extinguishing Media Containing Perfluorooctane Sulfonic Acid (PFOS)
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Redundancy of Single Electric Propulsion Motors
General Examination of Expansion Joints
Rules for the Survey and Construction of Passenger Ships / Guidance
Amendment related to Part C of the Rules for Survey and Construction of Steel Ships (2025 Amendment 1)
Unified Interpretation for Valves Fitted on Collision Bulkheads
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Lifting Appliances and Anchor Handling Winches
Rules for the Survey and Construction of Inland Waterway Ships / Guidance
Amendment related to Part C of the Rules for Survey and Construction of Steel Ships (2025 Amendment 1)
Approval of Synthetic Materials Used for Aftmost Stern Tube Bearings and Aftmost Shaft Bracket Bearings
Protection of Reciprocating Internal Combustion Engines against Explosions
Astern Power of Main Propulsion Machineries
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Requirements for Electrical Installations of Dynamic Positioning Systems
Redundancy of Single Electric Propulsion Motors
Lifting Appliances and Anchor Handling Winches
Rules for Floating Docks / Guidance
Lifting Appliances and Anchor Handling Winches
Regulations for the Classification and Registry of Ships / Guidance
Lifting Appliances and Anchor Handling Winches
Rules for Marine Pollution Prevention Systems / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Safety Equipment / Guidance
Unified Interpretation for Launching Appliances for Rescue Boats
Review of Guidance for the Approval of Materials and Equipment for Marine Use

A list summarising rule amendments for the Technical Rules and Guidance (Regulations for the Classification and Registry of Ships, Rules for Marine Pollution Prevention Systems, etc.) and each part of the Rules for the Survey and Construction of Steel Ships (Part A, Part B, etc.)

Rules for Ballast Water Management Installations / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Cargo Refrigerating Installations / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Lifting Appliances and Anchor Handling Winches / Guidance
Lifting Appliances and Anchor Handling Winches
Rules for Diving Systems / Guidance
Lifting Appliances and Anchor Handling Winches
Rules for Automatic and Remote Control Systems / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Preventive Machinery Maintenance Systems / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Centralized Cargo Monitoring and Control Systems / Guidance
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Rules for Approval of Manufacturers and Service Suppliers
Service Suppliers Providing Commissioning Testing of Ballast Water Treatment Equipment
Guidance for the Approval of Materials and Equipment for Marine Use
Application of High Manganese Austenitic Steel for Cryogenic Service
Correction of Editorial Errors related to Materials and Welding
Approval of Synthetic Materials Used for Aftmost Stern Tube Bearings and Aftmost Shaft Bracket Bearings
Ventilation Requirements for Totally Enclosed Lifeboats
Review of Guidance for the Approval of Materials and Equipment for Marine Use
Lifting Appliances and Anchor Handling Winches
