

Subject:

Spare charges for Portable
Fire Extinguishers for
Maltese Flag Ships

NKTECHNICAL INFORMATION

No.: 167

Date: 1st September 1995

To Shipowners and shipbuilders concerned

According to the instruction from the Administration of Malta, as per SOLAS Reg.II-2/Reg.6.2, spare charges for portable fire extinguishers are required for Maltese flag ships as follows.

1. In case of portable fire extinguishers of type capable of being recharged on board, there shall be at least one reserve charge for each prescribed portable fire extinguisher.
2. In case of portable fire extinguishers of type not capable of being recharged on board, there shall be at least one complete reserve extinguisher for every prescribed 5th extinguisher or part thereof.

Confirmation of compliance with the above requirement will be made by Surveyors at the Safety Equipment Survey of the Maltese flag ships to be held from now on. It is, therefore, recommended that necessary arrangements are made in advance.
