

Subject :

**Requirement for Anchor Lights
and Not Under Command Lights
on Panamanian Flag Ships**

NKTECHNICAL INFORMATION

No. : 197

Date : 21st October 1996

To Shipowners and Shipbuilders concerned

Anchor lights and not under command (NUC) lights on Panamanian flag ships have been required to be of duplex type, or to be provided with oil lanterns as spare lights if they are of a single electric type.

By this issue, we are informing you of the latest requirement of the Panamanian Government that they require only a single electric type for anchor lights and NUC lights and no longer require spare lights.
