

Subject :

Handling of ship type for multi-purpose ships regarding ISM Code Certification

NKTECHNICAL INFORMATION

No. : 240

Date : 20 January 1998

To Ship Owners and Ship Management Companies concerned

Dear Sir(s)

We would notify you of the handling of ship type for multi-purpose ships regarding ISM Code Certification for the purpose of avoiding troubles during the PSC inspection as follows.

Multi-purpose ships means the ships with plural ship's notations such as;

Tob & C III :Tanker, Oils-Flashpoint below 60°C and Chemicals Type III
OC or Tob :Ore Carrier or Tanker, Oils-Flashpoint below 60°C
Tm or ob & C II III :Tanker, Molasses or Oils-Flashpoint below 60°C and Chemicals
Types II & III

We used to assign single ship type for above multi-purpose ships on the Safety Management Certificate(SMC), however from now on we are going to assign the plural ship types for multi-purpose ships on the SMC as follows subject to the Additional Audit which we assess the Manual and Procedures related to the certain cargoes to be incorporated in the Company's Safety Management System.

Tob & C III Oil Tanker / Chemical Tanker
OC or Tob Oil Tanker / Bulk Carrier
Tm or ob & C II III Oil Tanker / Chemical Tanker

Also where the Company manages the above multi-purpose ships, we are going to assign the plural ship types on the Document of Compliance(DOC) subject to the Additional Audit which we assess the Manual and Procedures related to the certain cargoes to be incorporated in the Company's Safety Management System.

We shall rewrite and issue the certificates for above cases upon completion of the Additional Audit. When you apply the Additional Audit for above matters, please submit following documents.

- 1 Application (Free form, however at least following items are to be entered)
Name of Company & ship, Name of certificates to be re-write, Additional ship type
- 2 Copy of existing certificates to be re-write
- 3 Related pages to the additional ship type of the Manual
