Regulations for the Prevention of Pollution
by Sewage from ships for Marshall Islands
flag vessels

ANNEX IV to MARPOL 73/78

NKTECHNICAL INFORMATION

No. : 294

Date : 22 December 1998

To whom it may concern

Dear Sirs,

As we already informed with the NK Technical Information No.273 dated 23 July 1998, the Society issues Statement of Compliance with the provisions of Annex IV to MARPOL 73/78 voluntarily, at your request.

This time, the Administration of Marshall Islands instructed the Society as follows;

A Marshall Islands vessel should be confirmed compliance with Annex IV at the next regularly scheduled survey. If the vessel is in compliance, the appropriate certificate should be issued by the Society. If the vessel is not compliance with Annex IV, this fact is to be described on the Survey Record and recommendation to the Administration is to be made.

Accordingly, if the appropriate certificates have not yet been issued for ships flagged in the Marshall Islands in accordance with the Annex IV, you are kindly requested to apply for surveys to a branch or an office of the Society.

Should you need more information about these matters, please do not hesitate to contact us. (Class NK Marine and Industrial Service Department, Head Office, Tokyo, Tel:81-3-5226-2041,Fax:81-3-5226-2039)
