

Subject:

Duplicate Sets of Fire Control Plans
for Singapore Flag Ships

NK TECHNICAL INFORMATION

No. 31

Date: 1 March, 1985

To Shipowners and Shipbuilders concerned

Please be advised of the following guidances on the subject recently instructed by the Singapore Government.

Guidances on Duplicate Sets of Fire Control Plans (Regulation 20-2, Chapter II-2 of 74/78 SOLAS 81 Amendments) for Singapore Flag Ships

1. The duplicate fire control plan should be in a sealed plastic cover contained in a metal container painted in red and marked "Fire Control Plan" and permanently fixed at both gangway positions (Port and Starboard).
2. It should be confirmed on the occasion of the first Cargo Ship Safety Construction survey to be carried out hereafter that a ship is complied with the requirement mentioned in above 1.

Note: The above requirements should be applied to both new and existing ships.
