

Subject:

Amendment of Rules

"Condition of Service for
Classification of Ships and
Registration of Installation"

NKTECHNICAL INFORMATION

No. : 3 3 9

Date : 25 November, 1999

To all concerned

The services provided by the Society do not include any surveys and tests to ascertain whether any computer hardware, software, embedded microchip, data storage, electronics information equipment or system has the capacity to process changes in date and/or time data or information, and also there is no technical Rules in connection with this matter.

For the avoidance of doubt, the Rules of "Condition of Service for Classification of Ships and Registration of Installation" have been amended as attached herewith.

「Condition of Service for Classification of Ships and Registration of Installation」 is amended partly as follows ;

2. Responsibility and Liability

2.1 Liability (Clause (2) is added)

(1) Neither the Society nor any of its officers, directors, employees, agents or sub-contractors shall be liable for any loss, damage or expense of whatever nature sustained by any person, in tort or in contract or otherwise, due to any act or omission or error of whatever nature whether or not negligent howsoever caused in the provision of services, information or advice given in any way whatsoever by or on behalf of the Society.

In providing services, information or advice, neither the Society nor any of its officers, directors, employees, agents or sub-contractors warrant the accuracy of any information or advice provided.

(2) For the avoidance of doubt, the services provided by the Society do not include any surveys and tests whatsoever to ascertain whether any computer hardware, software, embedded microchips, data storage, electronics information equipment or system has the capacity to process changes in date and/or time data or information without loss of performance or functionality. The Society does not in any way warrant when providing services in relation to the classification, certification, registration, surveying or maintenance of ships, installation, machinery, materials or equipment that any computer hardware, software, embedded microchips, data storage, electronics information equipment or system has the capacity to process changes in date and/or time data or information without loss of performance or functionality. The Society hereby expressly excludes any liability of whatsoever nature and however caused in respect of any loss, damage or expense whatever arising out of or in connection with the loss of performance or functionality of any of the aforesaid items in respect of processing changes in date and/or time data or information..

Effective date and application

- 1. The effective date of this amendment is 1st December 1999.**
