List of Radio Firms and Radio Installation
Inspection Service Companies

NKTECHNICAL INFORMATION

No. : 382

Date : 15 November 2000

To shipowners and shipbuilders concerned

For safety radio surveys of non-Japanese flag NK ships, the Society's "Rules for Radio Installations" has required that tests and measurements for radio installations, and technical assistance at the surveys are to be carried out by qualified radio inspectors belonging to radio firms approved by the Society in accordance with the "Rules for Approval of Manufacturers and Service Suppliers" or to radio installation inspection service companies approved by the Society in accordance with the "Tentative Procedures and Requirements for Approval of Radio Installation Inspection Service Company". (Ref. NK Technical Information No.362 dated 1 April 2000)

The list of approved radio firms and approved radio installation inspection service companies as of 15 October 2000 is attached hereto for replacement of the list attached to the Technical Information No.362 and for necessary arrangements of qualified radio inspectors for safety radio surveys.

When applying for safety radio surveys in Singapore, please contact our Singapore office irrespective of the above.
