

Subject:

Equivalent Arrangements to Radio-
telegraph Installations and Distress
Frequency Watchkeeping Requirements
of Singapore Flag Ships

NK TECHNICAL INFORMATION

No. 67

Date: February 1988

To Shipowners and Shipbuilders concerned

Recently the Government of Singapore decided to accept the equivalent arrangements to the radiotelegraph installations and the radiotelegraph distress watchkeeping requirements for the Singapore flag ships.

The equivalent arrangements may apply to the Singapore flag ships on a case by case basis subject to the approval by the Government of Singapore. If you are interested in the equivalent arrangements, please contact the Head Office of this Society and ask for the further information in this respect.

For your reference, copies of relevant IMO Circular and statement distributed by the Government are attached hereto.
